Simple, effective ways to put things in their place

Those piles of papers, clothes, and other things you thought you'd successfully de-cluttered have returned, and this time they've brought friends. What's the use of trying to fight the clutter? Is there a better way?

This powerful and useful guide delivers solutions that work, no matter how overwhelmed you feel. The answer isn't an elaborate new system or a system you'll start to abandon. Instead, professional and organizer Cindy Glovinsky shares a hundred simple strategies for tackling the problem the way it grows—one thing at a time. Here's a sampling of the tips explained in the book:

- Declare a 10-11 day
- Tackle deep storage areas first
- Label it so you can find it
- Get a great letter opener
- Practice the "one-in, one-out" rule
- Leave it easier than you found it

Written in short, bold and with a suggestive tone, this is an essential, refreshing book that helps turn a hopeless struggle into a manageable part of life, one thing at a time.

Praise for *Making Peace with the Things in Your Life*

"Glovinsky is a compassionate, talented organizer who understands the root causes of people's clutter woes. This is a really helpful book."

—Beth Kellring, author of *Consuming Passions: Organization and Order in Your Life*

"Glovinsky, a professional psychotherapist and professional organizer, asks readers to examine the underlying psychological issues that they face with things. . . . She takes Julie Morgenstern's organizing from the inside out to the next level."

—Library Journal
