

# 1966 Ford Mustang Owners Manual Reprint

**1966 PONY MUSTANG SAUTERNE GOLD**  
CELEBRATING THE 50TH ANNIVERSARY OF THE FORD MUSTANG

The 1966 Mustang debuted with moderate changes from the original 1964 version, including a new front grille, chrome side ornamentation, wheel covers and rear gas cap. One of the most sought after models was the 'Pony' Mustang, otherwise known as the Interior Decor Group. Easily identifiable, the 'Pony' features a running horse across the seats.

To Celebrate the 50th anniversary of the 1966 Mustang, we proudly present our model in Sauterne Gold with Ivy Gold and White interior.

Item No. 18602  
**Scheduled production of 1000 pieces worldwide**

**1/18 Scale Model Diecast Replica**

The 'Pony' interior is stunning, featuring the highly detailed dash and five dial instrument cluster.

The high performance 289 cubic inch V8 engine and surrounding bay has been faithfully replicated and looks just as good as the original.

**Available 2nd Quarter 2016**
